	Date June 2010

<b>Statement</b>	<p>In the event that a student has a medical emergency on the school bus, a series of communications and actions must take place. Our first and foremost priority is the students' well being.</p>
<b>Procedures</b>	<p><b>Medical Emergency while student is on board the bus</b></p> <ol style="list-style-type: none"> <li>1. The driver will safely pull over to the side of the road.</li> <li>2. The driver will call dispatch with a description of the medical emergency, student name and location of the bus.</li> <li>3. Dispatch will call 911 with the location of the bus and the medical emergency.</li> <li>4. Operator will contact STOPR with the student's name, type of medical emergency, location and inform STOPR that they have called 911. STOPR will then contact the school administration with the same information.</li> <li>5. School will contact parent/guardian of student to inform parent/guardian of the situation and location.</li> <li>6. As a follow-up, the driver will write a report of the medical emergency that occurred and submit it to their office. The operator will then send the report to STOPR and STOPR will forward the report to the school.</li> </ol>
