|------------------|---|
| <b>Statement</b> | <p>A temporary medical transportation request may be made if a student meets the following criteria:</p> <p>The student is eligible for transportation and:</p> <ol style="list-style-type: none"> <li>1. has a physical disability that prevents him/her from boarding a bus and walking to his/her seat (i.e. broken leg or ankle)</li> </ol> <p>The student has a medical condition that:</p> <ol style="list-style-type: none"> <li>1. severely limits the students mobility and is restricted from specific physical activity while at school (i.e. the student is deemed medically fragile and is restricted from such activities as recess, gym, sports etc)</li> <li>2. requires special provisions/assistance while at school (i.e. support to navigate hallways, stairways, classroom etc)</li> </ol> <p>Identified permanent medical conditions, once verified by a medical doctor, will not require annual verification, however, all other medical transportation requests are approved on an annual basis and must be reviewed each year.</p> <p>Transportation for short-term medical concerns is a parent/guardian responsibility if less than 4 weeks.</p> |
|                  | <p><b>The School Principal or designate shall:</b></p> <ol style="list-style-type: none"> <li>1. provide the parent/guardian a copy of the STOPR Request for Medical Transportation form (TFL006) and ask the parent/guardian to have their doctor complete and sign the form. The doctor must indicate on the form the medical condition and note any specific physical restrictions.</li> <li>2. complete and sign the form (TFL006) to confirm any special provisions and/or physical restrictions in place for the student at school.</li> </ol>  |
