|------------------|---|
| <b>Statement</b> | <p>A special transportation request may be made if a student meets the following criteria:</p> <ol style="list-style-type: none"> <li>1. has a physical disability that prevents him/her from boarding a bus and walking to his/her seat; and</li> <li>2. has a medical condition requiring special transportation (in this case, the request must be accompanied by a doctor's note).</li> </ol> <p><b>Identified permanent medical conditions, once verified by a medical doctor, will not require annual verification, however, all other medical transportation requests are approved on an annual basis and must be reviewed each year.</b></p>  |
| <b>Procedure</b> | <p><b>The School Principal shall:</b></p> <ol style="list-style-type: none"> <li>1. have a medical practitioner complete a Request for Medical Transportation (TFL006) which stipulates in specific terms why a student's health necessitates the provision of transportation. Transportation for short-term medical problems is a parent/guardian responsibility if less than 4 weeks. The principal also needs to complete the school section and sign the bottom of the medical request and email it to STOPR; and</li> <li>2. contact STOPR should the student require an extension to their transportation, prior to the first request ending.</li> </ol> <p><b>STOPR shall:</b></p> <ol style="list-style-type: none"> <li>1. organize the most cost-effective transportation for those requests approved.</li> </ol> |
