Section Video Cameras on School Buses	Page 1 of 1
	Date Nov 2011

Statement	Video cameras may be used on school buses for the purpose of promoting the proper behaviour and safety of students on school buses.
Procedures	<ol style="list-style-type: none"> 1. video recordings on school buses will only be made at the request of the principal and will be solely for the purpose of promoting proper behaviour and safety of students; 2. bus operators are responsible to ensure all video recordings on a school bus are over written on a daily basis when not used to substantiate a student's misconduct; 3. video recording used to substantiate a student's misconduct are the property of the school principal and must be turned over to him/her immediately; 4. Notice signs will be installed on buses with video surveillance systems, in accordance with the notification requirements of the Municipal Freedom of Information and Protection of Privacy Act. Signs will be prominently displayed so that the public has reasonable and adequate warning that surveillance is or may be in operation; 5. A letter to all parents of transported students will be provided as part of the annual information package to advise them that video surveillance may be used.
