Statement	<p>It is the policy of STOPR to provide services in a manner that supports independence, dignity, integration, and equality of opportunity for all our customers, students, parents/guardians, the public and our staff. Further, STOPR is committed to providing people with disabilities the same opportunity of access to our services in the same location and in a similar way as these services are available to all others we serve.</p>
Procedures	<p>It is the responsibility of STOPR to provide training opportunities for all staff and school bus operators including management/administration staff and bus drivers to ensure greater awareness and responsiveness to the needs of individuals with disabilities.</p> <p>This policy operates in conjunction with: Canadian Charter of Rights and Freedoms, Ontario Human Rights Code, Accessibility for Ontarians with Disabilities Act, 2005, (AODA), Accessibility Standards for Customer Service, Ontario Regulation 429/07, Municipal Freedom of Information and Protection of Privacy Act, 1999 (MFIPPA) and the Policies and Procedures of STOPR.</p> <p>GENERAL</p> <ol style="list-style-type: none"> 1. In compliance with the Accessibility Standards for Customer Service, Ontario Regulation 429/07, created under the Accessibility for Ontarians with Disabilities Act, 2005, STOPR is committed to providing goods and services in a way that is accessible to all customers; 2. STOPR recognizes that excellence in service is founded on respect for the dignity and humanity of all individuals and the development of human potential, enabling individuals and groups to

Provide appropriate training for all staff who deal with the public or other third parties on behalf of STOPR to ensure greater awareness and responsiveness to the needs of individuals with disabilities. As new staff are hired, the training will become a component of their orientation training and will be provided within a reasonable timeframe; 3. Ensure that its policies and procedures related to the Accessibility for Ontarians with Disabilities Act, 2005, are made available to the public and also ensure that there is capacity to provide communication about these policies and procedures in a format that takes into account a person's disability; 4. Post a disruption of service notice on the STOPR website when services that are normally provided to a person with a disability are temporarily unavailable; 5. Ensure that STOPR managers and staff take into account the impact on persons with disabilities when purchasing new equipment, designing new systems or planning a new initiative so that adherence to this policy can be achieved efficiently and effectively; and 6. Develop a process for receiving and responding to feedback in order to monitor the effectiveness of implementation of the Accessible Customer Service Standard. Information about the feedback process will be readily available to the public and will allow people to provide feedback using a variety of methods.
